 - h. Cable Vision: Provision of cable outlet only for cable vision services
 - i. Built-in TV: In Master Bathroom

NOTE:

- Marble/ Compressed Marble/ Granite: Marble and granite is a natural material containing veins with tonality differences. There will be colour differences and marking caused by their complex mineral composition and incorporated impurities. While such materials can be pre-selected before installation, this non-conformity cannot be totally avoided. Granite is pre-polished before laying and care has been taken for their installation. However, granite being a much harder material than marble cannot be re-polished after installation. Hence, some differences may be felt at the joints. The tonality and pattern of marble, limestone or granite selected and installed shall be subject to availability.
- Timber: Timber is a natural material that does not have total consistency of colour and grain. Thus it is not possible to achieve a total consistency of colour and grain in their selection and installation. Timber strip also subject to thermal expansion and contraction beyond the control of builder and vendor. Natural timber that is used outdoor will become bleached due to sunlight and rain. Thus, the cycle of maintenance on staining wall need to be increased as required. Notwithstanding this note, the vendor shall remain fully responsible for the performance of its obligations.
- Tiles Finishes: Selected tiles sizes and tile surface flatness cannot be perfect and are subject to acceptable ranged described in Singapore Standards S5483:2000
- Sanitary Wares/Fittings: Brand and model of all sanitary wares/fittings supplied will be provided subject to availability.
- Air-conditioning: Air-conditioning system has to be maintained and cleaned on a regular basis by the Purchaser. This includes the cleaning of filters and clearing the condensate pipes to ensure that the system be in good working condition. The purchaser is advised to engage his/her own contractor to service the air conditioning system regularly.
- Mechanical ventilation system: mechanical ventilation fans and ducting are provided to toilets which are not naturally ventilated. To ensure good working condition of the system, the exhaust system within internal toilets, where applicable, is to be maintained by the purchaser on a regular basis.
- No tiles behind/below kitchen cabinet, long bath and mirror. Wall surface above the false ceiling level will be left in its original bare condition.
- Layout/ location of wardrobe, kitchen cabinets, fan coil units, electrical points, television points, telecommunication points, audio intercom system, door swing positions and plaster ceiling board are subject to Architect's final decision and design.
- Where the Unit is provided with PES/Open Terrace, the Purchaser shall not cover up or erect any roof or structure over or enclosing the PES/Open Terrace, nor shall the Purchaser allow the PES/Open Terrace to be covered up or roofed over.
- Television and/ or Cable Television (SCV): Purchaser is responsible for paying annual fee, subscription fees and such other fees to Singapore Cable Vision Pte Ltd (SCV) or any other relevant authorities. Developer is not responsible to make arrangements with SCV for the service connection to individual units.

- Internet: The purchaser is liable to pay Asymmetrical Digital Subscriber Line (ADSL) connection, annual fee, subscription fee and such other fees to Internet Service Provider (ISP). The vendor is not responsible to make arrangements with any said parties for the service connection for their respective subscription.
- Recreational Facilities: All recreational facilities are subject to change/ approval by relevant authorities and/or technical requirement/compliance.
- The brand, colour and model of all materials, fittings, equipment, finishes, installations and appliances supplied shall be provided subject to Architect's selection, market availability.
- False Ceiling space provision allows for the optimal function and installation of M&E services. Access panels are allocated for ease of maintenance access to concealed M&E equipment for regular cleaning purposes. Where removal of equipment is needed, ceiling works will be required. Location of false ceiling is subject to the Architect's sole discretion and final design.
- Glass is manufactured material that is not 100% pure. Invisible nickel sulphide impurities may cause spontaneous glass breakage, which may occur in all glass by all manufacturers. The purchaser is recommended to take up home insurance covering glass breakage to cover this possible event.
- Where warranties are given by the manufacturers and/or contractors and/or suppliers of any of the equipment and/or appliances installed by the Vendor at the Unit, the Vendor shall assign to the Purchaser such warranties at the time when possession of the Unit is delivered to the Purchaser.

All information, specifications and statements herein shall not be treated to form part of an offer or contract. Floor plans are subject to amendments as may be required by the relevant authorities. Visual representations, illustrations, photographs, art renderings and other graphic representations and references, not limited to landscape and furniture, are intended to portray only artistic impressions of the development and cannot be regarded as representations of fact. No part of the materials shall constitute a representation or warranty. All plans, information and specifications are current at the time of press and are subject to change as may be required and cannot form part of an offer or contract. The developer reserves the rights to modify any part or parts of the building prior to completion as directed or approved by the building authority. Floor areas are only approximate measurements and subject to final survey.

The Sale and Purchase Agreement shall form the entire agreement between the Developer and Purchaser and shall supersede all statements, representations or promise made prior to the signing of the Sale and Purchase Agreement and shall in no way modified by any statements, representations or promise made by the Developer or the Marketing Agents.
